Summary

Fresh ITI Graduate, full-stack developer with practical experience in building web applications using Python and a solid focus on React for creating dynamic front-end interfaces. I have a good understanding of full-stack development principles and strive to write clean, efficient, and maintainable code while staying updated with modern frameworks. Strong communicator and self-motivated learner with a proven ability to collaborate in remote teams, adapt quickly, and consistently deliver high-quality results.

(Post Graduate) Education

Information Technology Institute (ITI), PortSaid.

4-Months Postgraduate Diploma. (Intensive Training Program)

Track: Full Stack Web Development Using Python.

Modules: JavaScript - Python - Linux - Bash Script - MySQL - PostgreSQL - Flask

Education

Faculty of computer and information science, Mansoura University (Graduated: 2023)

Section: Information Science. (Grade: VERY GOOD)

Graduation Project: Electronic Medical Record. (Grade: EXCELLENT)

MY ROLE : Developed front-end interfaces using HTML, CSS and JS enhancing usability, layout consistency, and responsive design across modules.

Courses

- Front End Course, From (Consulting Of Computers And Information Center)

-Front End Course "[HTML-CSS-JavaScript-Bootstrap-Vue.js](#)", From (META MISR)

Work Experience (Non-Tech)

June 2024 - March 2025

Orange Egypt – Sales Representative And Customer Service

- Achieved Monthly Sales Target By Promoting Products, Resulting Increase In Sales Revenue •
- Handling Customer Issues And Guide Them To The Right Solutions.

June 2022 - October 2022

Perfect Furniture Factory – Human Resources Assistant

- Assisted with recruitment, onboarding, employee records, and daily HR operations in a fast-paced furniture manufacturing environment.

Projects

Graduation Project: Hospital Management System

Grade: Excellent

Description:

Electronic Medical Record aimed at streamlining administrative and clinical operations within a healthcare facility. The system included modules for patient registration, appointment scheduling, doctor and staff management, billing, and reporting. Emphasized usability, data accuracy, and secure access control.

Key Features:

- Patient and doctor profile management.
- Appointment booking system.
- Billing and invoice generation.
- Admin dashboard with reporting features.
- Role-based access and authentication.

1. Portfolio Website

Tools: JavaScript, React.js, Bootstrap

Description:

- Developed a responsive and dynamic personal portfolio to showcase skills and projects.
- Implemented routing and static site generation.
- Applied modern UI/UX principles and utility-first styling with Bootstrap.

2. Responsive Websites Collection

Tools: HTML, CSS, JavaScript, Bootstrap

Description:

- Designed and developed a series of responsive websites.
- Ensured cross-browser compatibility and accessibility standards compliance.

- Used Bootstrap to streamline styling and maintain design consistency.
- Demonstrated flexibility in layout techniques and attention to user experience.

3. Memory Matching Game

Tools: HTML, CSS, JavaScript

Description:

- A fully interactive browser-based memory game using client-side technologies.
- Implemented game logic using pure JavaScript without frameworks to strengthen core programming skills.

4. Khadamatak

Tools: HTML, CSS, JavaScript, Python, Django

Description:

- Developed a full-stack web application for service management using Django REST Framework (backend) and React with Vite (frontend), including authentication, orders, invoices, and client services modules.
- Integrated a RESTful API with a modern React UI, implemented CRUD operations, dynamic routing, and state management, and deployed a unified build serving both frontend and backend.

Skills

Languages: C#, Python, php, C, C++, JavaScript.

Frameworks: Angular, React, Django, Flask, Bootstrap, MongoDB.

Tools : VS Code & VS Azure Data Studio, Microsoft SQL Server, Figma.

Programming Skills: OOP, Data Structure, Solid Principal, Clean Code.

Soft Skills

- Problem Solving.
 - Public Speaking & Presentation Skills.
 - Leadership.
 - Communication, Collaboration & Teamwork.
 - Time Management.
 - Attention To Detail.
 - Adaptability.
 - Continuous Learning.
-

Languages

-Arabic (Native).

- English (Excellent).
